

NEW TRENDS IN SKIN CARE

“Beauty by Jeunique”

NEW NATURAL SKIN CARE LINE

The beauty benefits of what you eat, as well as what you put on your skin, is now recognized to be of equal value in helping to prevent skin aging.

Flawless, perfect skin is not a miracle of youth, but result of new skin cells being created in the healthiest kind of “environmental conditions “and being nourished with a constant supply of natural essential building materials.

No matter how old you are – you regain and maintain the glamour of youthful appearing, beautiful skin by encouraging the natural division and reparation of your skin cells

When your skin looks good – you feel good !

Natural Skin Care Kit

Our new, “Beauty by Jeunique”
100% Natural Skincare line
is formulated to work together.

- Each product has its own function and special ingredients to perform a specific task.
- Keeps your skin looking firmed, toned, refined, smoothed, softened, and protected.
- Because all the ingredients are natural, pH balanced and hypo-allergenic, they are perfect for all skin types, including sensitive skin.

100% Natural Purifying Cleanser

Removes all impurities without stripping the skin

- All the ingredients are natural
- PH balanced
- Hypo-allergenic
- Perfect for all skin types, including sensitive skin.

How to use:

- Apply morning and night to face and neck
- Massage gently with fingertips.
- Rinse with warm water.
- Follow with the Restorative Toner.

100% Natural Restorative Toner

It helps "restore" the pH balance of your skin which is often disrupted after the cleansing process.

- Effectively performs at least four essential roles
- Ensures that all pore-blocking impurities are removed
- Provides a natural, nourishing form of moisture
- Prepares your skin to receive the benefits of a moisturizer, and thus allows for the deeper penetration of its nutrients and even absorption into the skin.

Natural Honey/Apricot Exfoliator

**EXFOLIATION IS IMPORTANT
FOR KEEPING SKIN LOOKING VIBRANT**

- Formulated with the proven skin benefits of apricot kernels and walnut shells to create a natural scrub.
- It acts like a gentle micro dermabrasion.
- Effectively removes dead skin cells and other surface impurities that interfere with moisture absorption.
- Leaves your skin feeling clean and renewed.

Mag-Ni-Silke Moisturizer

**HELP ELIMINATE DARK SPOTS
UNEVEN SKIN AGES MORE THAN WRINKLES**

- All-natural, highly advanced moisturizer.
 - Works deep below the surface of the skin to regenerate skin cells.
 - Reduces the appearance of fine lines and wrinkles.
 - Revives skin's youthful elasticity to give a tighter, firmer and more refined appearance.
 - Prevents moisture loss while nourishing and protecting the skin against free-radical buildup.
 - All ingredients are natural, pH balanced and hypo-allergenic, perfect for all skin types, including sensitive skin.
 - It is the ultimate, natural, anti-aging formula!

100% Natural Renewal Moisturizer

**It helps to fortify skin's protective layer
and also helps minimize the appearance of
fine lines, pores, dullness, and uneven skin tone**

- The concentrations of natural fruit and botanical extracts work in harmony with the skin's natural renewal cycle to help achieve a healthy, glowing complexion.

100% Natural Roll-On Deodorant

Will keep you dry and smelling fresh throughout your busy day without exposing your skin to harmful chemicals.

- Our new formula is great for both men and women; provides effective, 24-hour, natural protection; is gentle enough for sensitive skin and even helps control foot odor; does not stain clothes and has a light, fresh, clean scent.
- A healthy alternative to your daily personal hygiene regimen since our Roll-On Deodorant is 100% natural and contains no Aluminum Chlorhydrate. Instead, it contains Potassium Alum (derived from natural mineral salts) that is made without the addition of synthetic detergents or alcohol. Potassium Alum is the key ingredient that helps naturally inhibit the growth of bacteria responsible for body odor without blocking sweat glands.

The “Beauty by Jeunique” natural skin care concept is based on natural, organic, ecologically sound principals.

This concept does not embody the use of animal or petroleum ingredients or the testing of the product on animals.

The philosophy that “**Mother nature knows best**” is a guiding element in all Jeunique products.

We should try to do everything as naturally as we can and this should include our diet and Skin Care.
